

Epic Role Playing: Unconstrained Heroes

Introduction

Epic Role Playing: Unconstrained Heroes is the next generation of tabletop role-playing games, offering an unparalleled level of customization and freedom for players. This comprehensive guidebook provides everything you need to create your own unique characters, explore a vast and immersive world, and engage in thrilling combat and adventures.

Whether you're a seasoned role-player or new to the hobby, Epic Role Playing: Unconstrained Heroes has something for everyone. The innovative character creation system allows you to craft a truly unique individual, unconstrained by traditional classes or rigid progression paths. Choose from a wide range of

cultures, backgrounds, skills, and abilities to shape your character's identity and destiny.

The faculty system further enhances character customization, offering an inexhaustible array of skill options, specialties, masteries, and grandmasteries. Each skill level is independent, allowing you to tailor your character's abilities to your specific playstyle.

In the world of Eslin, magic is an ever-present force, and Epic Role Playing: Unconstrained Heroes introduces six distinct branches of magic, each with its own unique mechanics and spells. Players can specialize in a single branch or combine multiple branches to create versatile and deadly spellcasters.

Combat in Epic Role Playing: Unconstrained Heroes is fast-paced and tactical, with a wide range of options for both players and game masters. The advanced combat system allows for a variety of maneuvers, strategies, and special abilities, ensuring that every encounter is unique and exciting.

Beyond character creation and combat, Epic Role Playing: Unconstrained Heroes provides a wealth of information on the world of Eslin, its cultures, societies, and factions. Game masters will find a trove of resources to help them create compelling adventures and immersive campaigns.

With its innovative systems, detailed worldbuilding, and endless customization options, Epic Role Playing: Unconstrained Heroes is the ultimate tabletop role-playing experience. Whether you're embarking on your first adventure or looking to take your role-playing to the next level, this guidebook has everything you need to create unforgettable stories and characters.

Beyond character creation and combat, *Epic Role Playing: Unconstrained Heroes* provides a wealth of information on the world of Eslin, its cultures, societies, and factions. Game masters will find a trove of resources to help them create compelling adventures and immersive campaigns. Whether you're a seasoned role-player or new to the hobby, *Epic Role Playing: Unconstrained Heroes* has everything you need to create unforgettable stories and characters.

Chapter 1: Character Creation

1. Creating a Unique Character

In Epic Role Playing: Unconstrained Heroes, character creation is a journey of boundless possibilities. Unlike traditional role-playing games that confine players to predefined classes and races, this revolutionary system empowers you to craft a truly unique individual, shaped by your imagination and unconstrained by rigid archetypes.

Begin by selecting your character's culture, a defining aspect that influences their background, values, and abilities. From the vibrant streets of Alveria to the ancient forests of Eldoria, each culture offers a distinct tapestry of traditions, customs, and beliefs. Your choice of culture will shape your character's starting skills, abilities, and even their appearance.

Next, define your character's traits, the qualities that make them unique. Choose from a wide range of

personality traits, flaws, and ideals, each of which will add depth and complexity to your character. A brave and compassionate adventurer might possess the traits of "Heroism" and "Empathy," while a cunning and resourceful rogue could be defined by "Deception" and "Ingenuity."

Skills are the cornerstone of your character's abilities. Unlike traditional role-playing games where characters are limited to a fixed set of skills, Epic Role Playing allows you to customize your character's skills based on their background, interests, and aspirations. Choose from a vast array of skills, ranging from combat proficiencies to social graces and magical abilities. Each skill level is independent, allowing you to tailor your character's skillset to your specific playstyle.

Once you have defined your character's culture, traits, and skills, it's time to flesh out their backstory. Consider their childhood, their motivations, and their goals. What events shaped their personality? What

drives them to adventure? A well-developed backstory will bring your character to life and make them more immersive to play.

The final step in character creation is to choose your character's profession. Professions in Epic Role Playing are not restrictive classes but rather cultural roles that define your character's societal function and provide additional skills and abilities. From the noble knight to the cunning thief or the wise sage, each profession offers a unique set of opportunities and challenges.

With its innovative character creation system, Epic Role Playing: Unconstrained Heroes empowers you to create a truly unique character, one that is unbound by traditional archetypes and reflects your own imagination and creativity. Embark on your adventure with a character that is as unique as you are!

Chapter 10: Appendices

4. Equipment List

The following is a comprehensive list of equipment that can be found in the world of Eslin. This list is by no means exhaustive, and there are many other items that can be found, depending on the region and culture.

Weapons

- **Melee Weapons:** Swords, daggers, axes, maces, spears, polearms
- **Ranged Weapons:** Bows, crossbows, slings, throwing weapons
- **Exotic Weapons:** Whips, nets, bolas, siege weapons

Armor

- **Light Armor:** Leather armor, padded armor, studded leather armor

- **Medium Armor:** Chainmail armor, scale mail armor, breastplates
- **Heavy Armor:** Plate armor, full plate armor

Shields

- **Bucklers:** Small, one-handed shields
- **Kite Shields:** Medium-sized, two-handed shields
- **Tower Shields:** Large, two-handed shields

Other Equipment

- **Tools:** Hammers, saws, axes, picks, shovels
- **Adventuring Gear:** Backpacks, tents, bedrolls, cooking supplies
- **Clothing:** Robes, tunics, cloaks, hats
- **Jewelry:** Rings, necklaces, bracelets, earrings
- **Potions and Elixirs:** Healing potions, mana potions, stat-boosting potions

Magical Items

- **Weapons:** Enchanted swords, staffs, wands

- **Armor:** Enchanted armor, cloaks of protection
- **Shields:** Enchanted shields
- **Other:** Amulets, rings, artifacts

The availability and cost of equipment will vary depending on the region and culture. In some areas, certain types of equipment may be more common than others, and prices may be higher or lower. Players are encouraged to work with their game master to determine the availability and cost of equipment in their specific campaign.
